 'Down2Earth'

~ An All Saint's Church, Hoole, Missional Community Project

Meeting Saturday Mornings from 10am-noon and for those really mad keen team members, 10am-noon on Mondays. We enjoy time together on Saturdays. IF YOU ARE INTERESTED in joining us, do contact - [office@allsaints.church](mailto:office@allsaints.church) No gardening experience required!! There's a variety of work which changes each month as the allotment year progresses and it's a great place to chat and share ideas.

Do KEEP praying for us at All Saints Garden Gate, KEEP following our progress and we will KEEP you informed monthly.

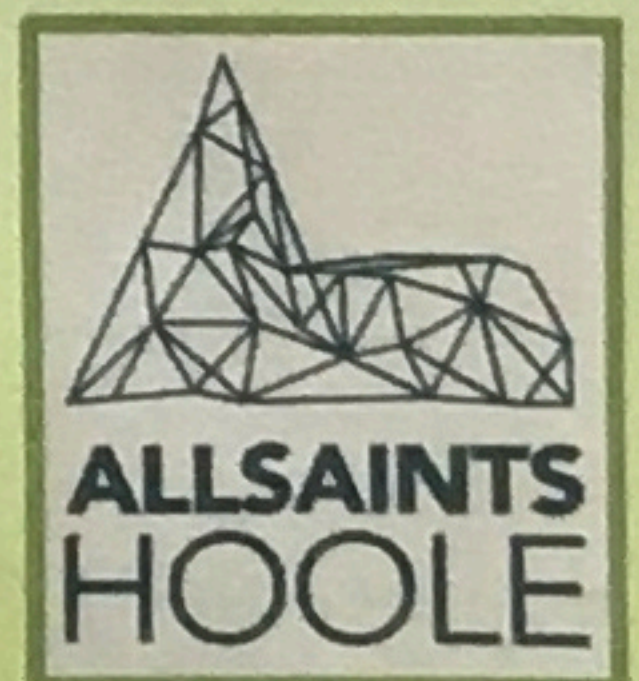

**'Totally Squashed'**

Despite the wet and increasingly colder times there's still produce to enjoy. Squashes are swelling slowly, courgettes are much smaller in size but in constant supply, and onions, leeks, beetroot, and raspberries are available. The broad bean October sowing is ticked as is the drying of runner beans in readiness for next year Another tick! And now for something new! We have planted an apple tree. Big Tick!!

For now, it's down to general maintenance and cleaning. Always something to do! Wet Saturday sessions call for planning and other hilarious creative ideas either on site or in the dry of one of our homes.

Here's something for you to keep an eye out for...Carol Singing at The Garden Gate in December. Watch the church news sheet for further details.

*Lord, we thank you that like the pumpkin, You picked us and brought us in. Thank You that You can wash away all our dirt, scoop out all our yucky stuff, remove seeds of doubt, hate, greed etc., and carve us a new smiling face, putting Your Light inside us to shine for all the world to see. Help us to be Your Light wherever You place us. Amen.*
