the Garden Gate
PRAYING, SOWING, GROWING

Before COVID 19, we were on site every Saturday Morning from 10am, and for those really mad keen team members, 10am Monday mornings as well. With current restrictions, we are able to work with 6 people on our Saturday mornings, so we continue to enjoy this special space. We hope to be able to invite others to join us eventually at the allotment, when the Government's Covid Guidelines allow. **SO.....IF YOU ARE INTERESTED...** Do contact - office@allsaints.church
No gardening experience required!! There's a variety of work which change each month as the allotment year progresses and it's a great place to chat and share ideas.
Do **KEEP praying** for us at All Saints Garden Gate, **KEEP following our progress** and **we will KEEP you informed** monthly.

'Back in the Swing'

It's good to see everything beginning to bud, the fruit trees blossoming and the strawberries flowering and hear the tuneful birdsong. Many of the plots and poly tunnels around us are noticeably busy. April being a very dry, cold month meant that anything in the ground needed 't.l.c.' and watering, especially the very young seeds and new plantings. The mains water is now turned on again for the year, and with the lack of rain recently, it is a great help. One thing doesn't change and that is weeding!

Simon's sorting more raised beds (and swinging ideas), thanks to a generous donation we received, and we have scattered a packet of cottage garden seeds, also donated, mid-plot to encourage pollinators for our crops. One of our youngest gardeners has enjoyed planting beetroot, onions and garlic with his Auntie's guidance and we continue to tend eventual crops in our homes.

Our very overgrown plot of Jan 2017 is far more manageable. We can now discuss ideas on how we can enhance our space in new ways and enjoy chatting and sharing ideas with our neighbours.

Looking over your Garden Gate Lord,
And knowing You continue to work with us
through our lives' seasons,
help us see Your ways for enhancing our lives,
making them fruitful for You, reaching out to others
and enjoying Life with You in new ways, Amen.
