PRAYING, SOWING, GROWING

An All Saints' Church,
Hoole, Missional
Community Project

We are a team of Christians working together with the aim of being open to the wider community through allotment gardening. We meet together and grow together in Christ in every season of life.
Simon, Heather, Erica, Audrey, Eli, Mike, John, Pam, Phil, Lis & Paul.

We meet, weather permitting, every Saturday morning from 10am-noon and enjoy both working together and taking time out for a coffee break. There's a variety of work which changes each month as the allotment year progresses. It's a great place to chat and share ideas. If you are interested in joining us do make contact via office@allsaints.church

Carols & Feastings

So what to do in December? Absolutely vital for the coming year the compost was continually fed and turned.

The broad beans shoots are bushing out and parsnips are being harvested as and when required.

Otherwise in the warmth of our homes we ensured the products of the year's labour were transformed into jams, soups and of course,

anything Cordon Bleu style for the table. **The** sun shone, despite a touch of drizzle as we carolled outside one Sunday, despite the cold.

We were a small gathering but we so appreciated those who supported us.

We pray that as we step, well wrapped and welly clad into 2022, we will bear the Lord's fruit, that will transform the lives of others giving glory to Our Master Gardener.
