You may remember that for the last two years we've given each Year 6 leaver from Hoole Primary School a book to help them on their journey of faith.

Once again, last year's appeal was so well received that we're doing it again this year!

Each book costs around £10.

If you'd like to contribute towards the appeal, you can either:

- hand cash in to the office in an envelope marked 'Bear Grylls'
- make a bank transfer if you're already set up with All Saints using ref 'Bear Grylls'
- or click [HERE](#) to sponsor one or more books online

Thanks so much for your ongoing support and prayers for our outreach work at Hoole Primary School. Much love, Gemma

PASTORAL CARE AUDIT FORM INVITE

Thank you to everyone who has already completed the pastoral care audit. We are very grateful for the responses we have received so far and for the time people have taken to share their thoughts and experiences.

If you have not yet completed the form, we would be very grateful if you could do so by **Monday 30th June**. The information gathered will help us gain a fuller picture of the pastoral care already taking place at All Saints, identify any gaps in provision, and contribute to developing how we strengthen this important area of ministry.

Your feedback and ideas are valuable to us, and we would encourage everyone involved in the life of the church to take a few minutes to complete the survey.

Thank you!

Pastoral Care for those not in groups – how to make contact with team

A new Pastoral Care Team for All Saints has been established recently.

The purpose of the team is to provide care for those who are NOT in one of the groups which already provide pastoral care such as the Communities and Oasis. So, if you are not in one of the groups and you, for example, end up in hospital, are stuck at home, or would appreciate someone getting alongside you, a member of the team can meet with you, listen and pray with you if that's what you'd like.

Also if you know someone that is in these circumstances, and you have their permission, you can request that they receive care.

If you are already being visited by someone or if you are visiting someone, please don't stop! We are not trying to replace wonderful care that is already happening.

You can get in contact via the website, with the link below:

<https://allsaints.church/church-life/pastoral-care/>

Alternatively, you can contact the church office and they will enter the details for you. If you know someone who is not able to make contact, you can do so on their behalf, so long as you have their permission.

We will be in touch.

Andy Creeth
Pastoral Care Team Coordinator

Lizzie Guy

Hi everyone!

My name is Lizzie and I can't wait to start as your curate this July. I'm arriving with my husband Matthew and our three lovely kids—Noah (8), Martha (4), and Talitha (1).

Our house is a beautiful, messy mix of life and laughter, and I know the kids are going to love jumping into everything at AS Kids.

As I prepare to be ordained deacon, I am so ready to get stuck into this new chapter—whether that's us digging into Scripture together or just sharing the joy of Jesus in the middle of our normal, crazy, everyday lives.

It's a total joy to be called to Hoole and to work with Craig and you all to make Jesus known across this parish. You are all so welcome to come to my ordination service on 5th July at 10.30am at the Cathedral, followed by cake at St Peter's at the Cross!

Please let Craig know if you're planning on coming so I can make sure there is enough cake for everyone.

We can't wait to meet you all and start this adventure together!

COULD YOU BE OUR NEXT TREASURER?

As we look ahead to an exciting new season at All Saints — including the opportunities and challenges of our proposed building project — we're looking for someone to serve as our next Church Treasurer.

This is a key role in the life of the church, helping us steward our finances wisely as we continue to grow in mission and ministry together. The good news is that the Treasurer won't be carrying this alone. We already have a strong and supportive finance team in place, and we're looking for someone who could offer around three years to help guide and oversee this area of church life. You don't need to be a finance professional, but you would need to be organised, trustworthy, comfortable with numbers, and willing to work collaboratively with the team.

If this is something you'd like to explore — or if someone comes to mind who you think could be a good fit — please speak to Craig for an informal conversation.

April/May reflection

A word from our Youth Worker

Doesn't time fly! We are in June already, so let's reflect on the last couple of months at All Saints Youth.

It's been an exciting and challenging couple of months in the lead up to the exam period at school. Bring on the summer, Church festival and New Wine!!!

Breakfast Club (Sunday AM)

Topics: Bible Explored: Deuteronomy, James, Chronicles and Songs of Solomon.

Looking at the difference between God's law, ancient law and modern law, maturity in Christ, reflecting on our lives and on how Jesus wants us to lead our lives and showing love and respect to God's creation.

AfterDark (Sunday PM)

Topics: Both age groups have combined for the time being so we can have wider discussions about the same topic. Over the study sessions we delved deeper into who is the Holy Spirit and how we can be filled with the Holy Spirit, which prepared us nicely for Pentecost and trinity Sunday!

Our April social was over half term, so was replaced by catch ups and mentoring where needed and of course a well earned family break those those who needed extra time together. The May social was an escape room! 15 youth turned up to be split into 3 different rooms where they had to work together in order to escape within the hour. They all escaped, but some showed more bravery and intelligence than others (Including the leaders.....I'll let you ask them who fits in to which category there!).

The 'After School Drop In' is going from strength to strength as we see more kids turning up through word of mouth and advertising at our lunch clubs we help run with the CSCW team. Big news is coming out of the Drop In as of June as the final stages of the funding application come to a close. Want to know what happened? Find out in THIS All Saints newsletter!

Golden dude(s) Award

Josh was nominated by leader Ben for the golden dude award for April as he made a crucial discovery in the escape room which meant his team made it out just in time.

May's golden dude award went to Myles who has been a key part of the After School Drop In and the fun that goes on there!

NEWS FROM HOOLE CHURCH OF ENGLAND PRIMARY SCHOOL

'let your light shine' Matthew 5:16 Sermon on the Mount

We are currently working towards assessment for the Religious Education Quality Mark. This award recognises and celebrates high quality of teaching and learning in Religious Education (RE).

I do not often talk about specific curriculum areas in my weekly report to our friends at All Saints. However, I thought it would be good to provide you with some information about how RE supports the aims and ethos of our school.

RE at Hoole aims to provide a sequential and broad understanding of Christianity as a diverse, global, living faith. Pupils have opportunities to examine what Christianity looks like across the world, as well as exploring beliefs customs and traditions in other world faiths.

RE at Hoole is a subject which enables values, virtues, attitudes and aptitudes to be explored, with dignity and respect as individuals and as a community. RE informs about faith, inspires for life, challenges reasoning and celebrates difference. RE at Hoole enables all pupils to develop an understanding of who they are, what they believe and what the meaning of life might be for them and others.

Through our Religious Education curriculum, we aim to enable the children to become:

Enthusiastic, curious and independent thinkers through inspiring their curiosity into the beliefs and values held by members of society and developing their own views.

Motivated, reflective and resilient learners by developing their ability to ponder on puzzling and difficult questions involving questions of right and wrong and moral concerns. Growing in confidence and resilience by being encouraged to explore the ideas and beliefs of others and test their own responses.

Respectful, compassionate and kind friends through listening carefully to the views and ideas of others and responding with calmness whether they agree or disagree, using evidence to support their argument and make their case. They learn to encourage each other when given opportunities to share how they feel about concepts and values. They develop empathy with others as they seek to understand why people act in the way they do based on their beliefs.

Confident, thankful individuals through exploring the wonder of belief and the evidence of the natural world that is celebrated in many faiths. Through an exposure to the needs of others in the wider world children become more aware of how fortunate they are compared to many in our world and develop the grace of gratitude.

Tolerant and responsible citizens through developing their understanding of differences in culture and belief, while seeing similarity in human families across the world. We create opportunities to respond to ideas of faith and practice and discuss what impact these may have on the wider world.

Our work with All Saints, other faith teams and religious groups, supported by our Foundation Governors, enables us to provide high quality learning and experiences for our pupils to deepen their knowledge, understanding and faith.

Thank you for your prayers and best wishes for our school family.
