Marriage Course Survey

Dear All Saints family,

We are doing some research of married couples who attend or are linked to the All Saints Church family.

In the last year we have felt that God has been putting marriage on our hearts as a leadership team and want to know how best we can support married couples in both church and community.

You may have seen advertised or even attended our Marriage MOT sessions over these past few months. From these sessions we have had some really great feedback and seen a desire from couples to have that intentional time set aside to discuss different aspects of their marriage relationship.

We believe that after our relationship with God (for married couples) our marriage relationship is the next most important relationship we have and want to give couples the opportunity and resources to invest further into their marriage. It's our heart that in the near future we will be able to run the HTB Marriage Course, this is normally run over 7 consecutive weeks but we appreciate that this is difficult to commit to, especially for those of us who have children and need to find a babysitter.

The sessions covered on this course are as follows-

- *Strengthening connection*
- *The art of communication*
- *Resolving conflict*
- *The Power of forgiveness*
- *The impact of family*
- *Good sex*
- *Love in action*

It would be really helpful if you are married that you complete this survey - click **[HERE](#)** - to help us plan and run an event that works for people. It gives you options of when we are thinking of running the course and the frequency. It will take about 2 minutes and will really help us in getting a picture of how to shape the course.

Thanks so much for reading this notice and thank you in anticipation for completing the survey.

Much love,
Gemma

All Saints Church Light Party

A vibrant poster for a 'Light Party' featuring a background of colorful, radiating light streaks in shades of blue, green, and yellow. The text is overlaid on this background. At the top, 'as all saints hoole' is written in a white, lowercase, sans-serif font, with 'as' enclosed in a white circle. Below this, 'LIGHT PARTY' is written in large, bold, yellow capital letters. Underneath, a yellow banner contains the text 'Alternative Halloween Party for Primary School Children' in black. To the left, a yellow starburst shape lists 'fun activities', 'games', 'pizza', and 'sweets' in black. In the center, a yellow banner displays 'SAT, 31ST OCT 4.30PM-6PM' and 'ALL SAINTS CHURCH CENTRE' in black. At the bottom center, a white banner reads 'I am the light of the world - John 8:12'. On the right, a yellow starburst shape says 'Click HERE to sign up' in black, with a yellow arrow pointing from the 'HERE' text to a small yellow box containing the word 'HERE'.

CAN YOU VOLUNTEER TO HELP?

We need people to run the games and craft stalls (material for activities will be pre-planned and prepared) and also people to serve a pizza tea to the children.

If you are able to help, please sign up below. Thank You

Heart and Soul Café Needs You!

As the new term starts this is a great time to reassess and take on a new challenge!

We currently need new volunteers on Mondays & Thursdays at Heart Soul Café.

There are several roles involving making drinks, taking customer orders or doing the dishes (with a dishwasher!). Full training will be given, so don't worry if you have never worked in a café before.

Please consider if you can help in this vital outreach work and join our friendly team of volunteers so that we can continue to make Heart & Soul Café a place where people from all walks of life find a warm welcome.

Opening hours are 8.45am - 2pm but starting time can be later for these roles. The café is open term time only.

If you are interested why not call in and have a chat with Rhiannon, or email rhiannon.cooke@allsaints.church Alternatively you could leave your details at the church office.

We look forward to meeting you!

Pastoral Care

A new Pastoral Care Team for All Saints has been established recently.

The purpose of the team is to enable the whole church to have access to pastoral care. We are not seeking to replace any of the groups that already provide pastoral care such as the Communities and Oasis. Rather we are coming alongside and filling in any gaps. If you would like to take advantage of this then fill in the form below and a member of our team will contact you. They will provide a listening ear, offer prayer and seek to speak words to encourage and build you up.

Also if you know someone who would like to receive pastoral care, and you have their permission, you can request that they receive care.

If you are already being visited by someone or if you are visiting someone, please don't stop! We are not trying to replace wonderful care that is already happening.

You can get in contact via the website, with the link below:

<https://allsaints.church/church-life/pastoral-care/>

Alternatively, you can contact the church office and speak to Andy Grey, our pastoral care and discipleship coordinator. If you know someone who is not able to make contact, you can do so on their behalf, so long as you have their permission.

Every blessing,

Andy Grey

NEWS FROM HOOLES CHURCH OF ENGLAND PRIMARY SCHOOL

'let your light shine' Matthew 5:16 Sermon on the Mount

CYBER SECURITY DAY

We have worked proactively over the last two years to support initiatives, such as the Smartphone Free School campaign, to promote the safe use of technology and mobile phones.

Our work in this area has been grounded in concerns about the impact of the increasing impact of technology use on children's social, emotional and personal development.

Throughout our curriculum, children are taught about dangers they may encounter in the digital worlds and positive steps that they can take to keep themselves and other safe online.

We recently held a Cyber Security Day at school to continue to reinforce and embed these messages. We were joined by DC Kevan from Cheshire Police Cyber Security Unit.

DC Kevan led workshops for pupils of all ages – from our very oldest to our very youngest – to teach them in age appropriate ways about online safety.

A briefing for staff ensured that they were fully informed about the latest developments in online safety and the use of Artificial Intelligence by scammers and criminals.

The day culminated in an information session for parents, carers and family members. Feedback from this session has been overwhelming, with families stressing how useful it was in preparing them to support their children's engagement with the digital world. One parent commented, "This was a fantastic, informative session that has really made me think about the use of social media and keeping children safe online. I appreciate that DC Kevan did not sugar coat the information and gave us the (difficult!) truth about keeping ourselves and our children safe online."

Following the session, DC Kevan shared information about useful websites and resources which members of the school community may wish to explore to find out more about this topic. I have included this information below:
