We are very excited to soon be starting another Alpha course which will be running from the end of September-November (the provisional dates are 23/09-25/11). Following the pilot Alpha which started earlier this year, we will now be running Alpha on a regular basis and are opening this up to the wider church and beyond!

We are now building teams to support the running of Alpha. There are lots of ways that you could be involved. As part of building and equipping teams, we are offering Alpha training to anyone who is interested in potentially being involved for either the upcoming autumn or future Alphas.

If you think this is a ministry area that you might like to be involved with, please do come along to the training to find out more. We would love to explore what this could look like with you.

**ALPHA TRAINING** Come along to explore how you could be part of an Alpha team and to be equipped. Lunch will be provided.

An invitation to gather to pray for the city of Chester, the well-being of our nation and all aspects of the General Election.

The General Election will be here very soon. The well-being of many depends on the outcome. There has been much to undermine trust in our politicians. At the same time we see some MP's facing threats to themselves and their families. There are endless other reasons to be praying.

**Date: Saturday 29th June 2024**

**Time: 9:30 - 11:00 am**

**Venue: St Peter's at the Cross, Chester**

Come for the whole time or for as long as you can.

"I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people – for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Saviour, who wants all people to be saved and to come to a knowledge of the truth."

# NEWS FROM HOOLE CHURCH OF ENGLAND PRIMARY SCHOOL

We welcomed a very, very special guest into school recently.

The European, World and Olympic Champion gymnast, Beth Tweddle, visited our school to talk to pupils about her journey into gymnastics.

During her presentation, Beth informed children about how she discovered her talent for gymnastics and how she worked hard over many years to let her light shine brightly as she rose through the ranks to become Olympic champion.

Beth also discussed the resilience and perseverance she needed when she embarked on learning to ice skate for the ITV programme, Dancing on Ice.

She also spoke to some of our most talented sports people, including one of our Year six students who is preparing to participate in English championships over coming months.

We were so proud to have this opportunity for our children. We ensure that they are aware of models of endurance, perseverance, commitment and determination to help them in finding their own pathways to shine.

This week we will welcome a Paralympian athlete, Michael Churm, into school to work with our pupils and share his story.

Thank you for your prayers and best wishes for our school family.

Rosalind Flanders  
Headteacher
