Prayer Focus

As we think about Harvest, please pray for those who are struggling to afford food. Pray that our donations will bring a little help, hope and kindness to those who need it.

BEACONS CLUB AT HOOLE PRIMARY

We had a brilliant start back at Beacons this Wednesday. We are fully subscribed at the moment with 27 children and even have a waiting list!

This week we went right back to the very beginning and looked at creation, we focused on the concept that God made us and he made each one of us fearfully and wonderfully!

Our time of worship was off the chart using our amazing bodies to praise Jesus through dance and song.

We are already looking forward to next week!

Please be praying that each child will know how loved they are by Jesus.

Thankyou!

Marriage Course Survey

Dear All Saints family,

We are doing some research of married couples who attend or are linked to the All Saints Church family.

In the last year we have felt that God has been putting marriage on our hearts as a leadership team and want to know how best we can support married couples in both church and community.

You may have seen advertised or even attended our Marriage MOT sessions over these past few months. From these sessions we have had some really great feedback and seen a desire from couples to have that intentional time set aside to discuss different aspects of their marriage relationship.

We believe that after our relationship with God (for married couples) our marriage relationship is the next most important relationship we have and want to give couples the opportunity and resources to invest further into their marriage. It's our heart that in the near future we will be able to run the HTB Marriage Course, this is normally run over 7 consecutive weeks but we appreciate that this is difficult to commit to, especially for those of us who have children and need to find a babysitter.

The sessions covered on this course are as follows-

- *Strengthening connection*
- *The art of communication*
- *Resolving conflict*
- *The Power of forgiveness*
- *The impact of family*
- *Good sex*
- *Love in action*

It would be really helpful if you are married that you complete this survey - click **[HERE](#)** - to help us plan and run an event that works for people. It gives you options of when we are thinking of running the course and the frequency. It will take about 2 minutes and will really help us in getting a picture of how to shape the course.

Thanks so much for reading this notice and thank you in anticipation for completing the survey.

Much love,
Gemma

To the left, a yellow starburst shape lists 'fun activities', 'games', 'pizza', and 'sweets' in black. Pastoral Care

A new Pastoral Care Team for All Saints has been established recently.

The purpose of the team is to enable the whole church to have access to pastoral care. We are not seeking to replace any of the groups that already provide pastoral care such as the Communities and Oasis. Rather we are coming alongside and filling in any gaps. If you would like to take advantage of this then fill in the form below and a member of our team will contact you. They will provide a listening ear, offer prayer and seek to speak words to encourage and build you up.

Also if you know someone who would like to receive pastoral care, and you have their permission, you can request that they receive care.

If you are already being visited by someone or if you are visiting someone, please don't stop! We are not trying to replace wonderful care that is already happening.

You can get in contact via the website, with the link below:

<https://allsaints.church/church-life/pastoral-care/>

Alternatively, you can contact the church office and speak to Andy Grey, our pastoral care and discipleship coordinator. If you know someone who is not able to make contact, you can do so on their behalf, so long as you have their permission.

Every blessing,

Andy Grey
Pastoral Care & Discipleship Coordinator

NEWS FROM HOOLES CHURCH OF ENGLAND PRIMARY SCHOOL

'let your light shine' Matthew 5:16 Sermon on the Mount

Last week, our Year six pupils set off for their residential visit to the Glan Llyn Centre, near Bala in North Wales.

In line with our school vision and values, we consider residential trips essential to support pupils in building the character needed to navigate the world. They provide special times for young people to learn beyond the classroom.

During the trip, children have opportunities to challenge themselves, collaborate in teams and to show resilience and resourcefulness.

For some children, the residential is their first experience of being away from their families for an extended period. They are often nervous and filled with trepidation about what lies ahead.

The children had a whale of a time! In the beautiful surroundings of the Glan Llyn Centre, they engaged in outdoor activities such as abseiling, climbing and canoeing.

As ever, children returned to school on Friday afternoon brimming with stories about their brave endeavours! It is wonderful to see them so excited to tell their families about the daredevil activities they have engaged in and the fun they have had.

Activities like the residential trip are only possible due to the commitment and enthusiasm of my staff team. I feel fortunate to lead a team who show great passion for bringing our school vision to life and for supporting children to shine brightly in the classroom and beyond.

Thank you for your prayers and good wishes for our school family.
