

**DONATION STATION** - At long last we have a donation station at the back of church by the Hoole Road entrance which means you can now make a contactless donation to God's work at All Saints.

Once you tap your card, you will be asked if you are able to gift aid. If gift aid is selected, you will then need to enter your name, house number, postcode and email address. These details will be remembered should you donate again using the same card.

Please do speak to Garnett Carr or the office if you have any problems or questions regarding our donation station.

Thank you!

**FOODBANK** - donations can be put in the collection crates in the church centre foyer. Alternatively, you can make a cash donation online at: <https://westcheshire.foodbank.org.uk/give-help/donate-money/>  
Thank you for your continued support!

**GREETINGS CARDS** - for all occasions by Gill Holt. Please have a look after the Sunday services and support the work of **Tearfund**.

### Prayer Focus

Dear All Saints family,

All Saints leadership and team are going to be undergoing an organisation health and effectiveness review with a company called UCAN | UK Church Administrator Network (churchadministrators.net), between 12<sup>th</sup>-14<sup>th</sup> September. This is part of our ongoing vision and desire to be a church that is Jesus-centred and led as we seek to see his presence and power transform our surrounding community. We are asking that everyone please pray during the week of the review that wisdom, insight and God's presence would be felt by all undergoing this process.

Love and prayers to you all,  
Craig

*A huge than you to everyone for all your prayers and good wishes over the last six months. I apologise for not responding to you individually but I wanted to say how much it meant to me. I'm recovering slowly with the help of steroids, the fantastic team at the hospital and lots of prayer. So thank you for everything. With love Sheila.*

# Hoole Church of England Primary School

It was a pleasure to welcome children back to school on Monday for the start of the new school year. Children returned to school looking very smart and enthusiastic for the year ahead. They have settled into their new classes and appear to be getting used to new classroom locations and routines.

We have welcomed over fifty children to our Reception classes. We have also been joined by a number of pupils in other year groups who have relocated to the Chester area. Our school numbers are growing every year and many year groups are now full.

Thank you to Gemma Gaudion and representatives from All Saints' Church who worked with members of our Parent Teacher Association and staff to organise a coffee session on Monday morning. Parents and carers of children joining our school family were invited to attend after dropping their children off with their new classes. This was very well attended and helped to smooth any first day anxiety after dropping off at school!

There has been many developments in school during the summer break. Our site manager, Mr Quayle, has had a busy time coordinating contractors and managing projects to install new bicycle sheds at the front of school, painting classrooms and the remodelling of the staff lounge.

I look forward to sharing our news with you over the coming year. Thank you for your prayers and good wishes for our school family.

Ros Flanders,  
Headteacher

## OPPORTUNITIES TO SERVE

### Café set up – can you help?

**Heart & Soul Café will be reverting to its pre-Covid opening hours of 8.45 am – 2 pm.** Opening at 8.45 am provides a meeting place for parents after the school drop off, as well as those arriving early for Little Lights & Popcats and is a great opportunity to get to know people.

In order to open earlier on a Monday we need to set up the tables, cloths & chairs on a Sunday after church. **If 2 or 3 people set up it would only take 15 – 20 minutes.** Could you spare some time after the service to help in this way? **Setting up just once a month would be a great help** as I don't have a set up team at the moment, but am going ahead in faith that a team will emerge. I will be in church on Sunday, so if you can help please chat to me then, or call in at the café or church office. Many thanks Rhiannon .

### Little Lights

We are currently looking for volunteers to help with Little Lights on Monday mornings - if we can get a team of helpers, then we can put a rota together so that it wouldn't be every week.

We need help with serving refreshments and hopefully with setting up also. This would then free up the team to be able to concentrate more on getting alongside the babies and their carers.

Little Lights is a great ministry in our community, and it is getting very busy - we even have a waiting list! We would be very grateful if you would be able to help us serve young families in Hoole in this way.

Please do speak talk to Jules, Anita or a member of the office team if you'd like to help.

### Tech Team

Would you be able to join our rota to help during our Sunday services with projection and sound? Those on the rota currently are serving every 3/4 weeks but with more volunteers this would be less frequent.

Please speak to Ken Wood or email him [ken.wood@allsaints.church](mailto:ken.wood@allsaints.church)
