

GIFT AID - for those who pay tax, All Saints is able to reclaim from the government the tax paid on your regular giving and donations. This increases the value of your giving by 25%! It is a great way of increasing your giving for completing a simple form. Gift Aid forms are available at the back of church and also from the office. Please complete a form, hand it in at the office and we do the rest. Thank-you, as always, for your support of our mission.

GREETINGS CARDS - for all occasions by Gill Holt. Please have a look after the Sunday services and support the work of **Tearfund**.

FOODBANK - donations can be put in the collection crates in the church centre foyer. Alternatively, you can make a cash donation online at: <https://westcheshire.foodbank.org.uk/give-help/donate-money/>
Thank you for your continued support!

Son of God - Sinless

Big idea

Jesus lived a sinless life

This session we find out that:

- Jesus experienced temptations - just like us – but NEVER sinned.
- Jesus responded to temptations with Scripture.
- Satan knew Scripture, but used it in deceptive ways.
- Jesus shows us how to fight temptation.

Hoole Church of England Primary

Pupils in Year five have been hard at work over recent weeks planning fund raising activities for friends overseas.

Following the success of the second hand clothing sale which Year five organised in the spring term, children planned a series of games for all members of our school family to participate in.

The fund raising activity was to support a school in Nigeria which children in Year five have linked with. When children learnt about how the pupils at the school live and learn, they were keen to take positive action. They decided to raise money to purchase a pillow for every child in the Nigerian school family.

Children brought in one pound each and exchanged this for ten tokens. Tokens were then used to participate in the games and activities.

There was a real buzz on the day! Pupils in other year groups were enthusiastic to engage with the games, trying their hand at the innovative challenges that Year five had devised.

Year five children did a wonderful job of supporting younger children to participate and ensuring that the games were well explained and enjoyed by all.

As a result of the efforts of Year five on this special day and other fundraising work, including with the school choir singing in the local community, they raised over £350!

You will know from our school vision and values that we aim for pupils to become compassionate and kind friends. I am so proud of the effort, determination and commitment that the children have invested to take action to support others.

Thank you for your prayers for our school family.
