Opening times: 10 am – 2pm Mondays and Tuesdays.

**CONVERSATION • CONNECTION • COMMUNITY**

Join us for drinks, snacks, homemade cake, lunches & a warm welcome!

## Starts again on Thursday 16<sup>th</sup> September

Chatty Group started as a support group during the pandemic for adults aged 50+ to provide a safe place to conversation and company. We have a short thought for the day, an object on each table to spark conversation and a great time chatting!

Join us on Thursdays, 10.30 – 12pm for coffee, cake & conversation.

\*Run by the Heart & Soul Café team **Now held at the back of church in the café area.**

*This will be a safe place where we will observe social distancing and ask you to wear a face shield for group conversation. (face shields can be purchased for £2).*

## Homegroups are re-starting soon!

Our midweek small groups will begin a new term in the week beginning Monday 15<sup>th</sup> September.

This is a good time to consider joining a group, or perhaps to move to a group that best fits in with your schedule.

These groups are a great way to get to know others in the church, to feel a sense of belonging, and to grow in understanding of your faith and in how to live as a follower of Jesus. Most groups meet fortnightly.

Come and talk to me after church about what is on offer – a conversation does not mean you then *have* to join a group – so relax!

Anita Benson  
(Homegroups co-ordinator)

## THANK YOU FROM HELEN GLENN

I would like to express my sincere thanks to my church family for all the cards, flowers, gifts, phone calls and offers of practical help at the time of losing Ron. I have been overwhelmed by the wonderful support I have received during this very difficult time. It is so good to belong to a lovely caring supportive church and I am so grateful to you all.

Love Helen

## MADAGASCAR PRESENTATION 19TH SEPTEMBER

During both the 9:00 and 10:45 service, Cathy Armstrong will be doing a short presentation about her time in Madagascar over the past 2 years and the work at the Good News Hospital in Mandritsara.

**Thank you to everyone** who has donated to the library at Lalo in southern Ethiopia. Thanks to everyone's generosity, we have been able to send £1000 to them for books. Yacob Godebo recently wrote: 'Academic quality and standard issues always seem to remain as a secondary issue in the government's agenda. Lalo Church has determined to enlarge its library and to facilitate it with appropriate furniture and books and to help students of the surrounding villages. In view of the continuously bleak economic situation of the country, Lalo's aspiration seems to be formidable.'

Please pray too for Yacob and his family. Yacob teaches at the Mekane Yesus Seminary and also lives on the seminary campus (Mekane Yesus is the largest protestant denomination in Ethiopia). On 17<sup>th</sup> August the seminary suffered flooding when a nearby river suddenly broke its banks. The flooding killed 8 people on the seminary campus and displaced 14 families, including Yacob and his family. The flood completely destroyed the possessions of those 14 families. Yacob and his family are currently living in the Mekane Yesus church guest house along with some of the other families. Yacob writes 'We have lost everything we had as a family (grain, flour, clothes, many kinds of documents, books, furniture, etc). We are now living as refugees. It is too early and too difficult to predict when to recover from this tragedies' wound.'

Finally, please pray for the country of Ethiopia. Again, in Yacob's words: 'Our country's problem is not only arising from the Tigray region, but almost nationwide internal tensions, resulting from tribal conflicts, are terribly troubling the country. Economic problems resulting from incessant recession, inflation, and from the effects of COVID-19 are becoming unbearable and unspeakable. Do please keep us in all your prayers (personal, family, Bible study groups' and Church prayers).'

Thank you for your ongoing concern and prayers for Yacob and his family, Lalo Church and the country of Ethiopia.
