Hoole Church of England Primary School

We have enjoyed yet another busy week where our light has been shining in sports and ICT related activities.

Rebecca Salisbury, our ICT leader, opened Internet Safety Week with a presentation reminding children about ways to stay safe when using technology. The presentation included an interactive quiz where children had to consider whether a message was appropriate or inappropriate to send. During the week, pupils have engaged in activities in class to raise awareness of the possible dangers of the internet and online gaming in a sensitive and age appropriate way.

We have had sports teams in action. A team of keen netballers represented the school in a tournament in Blacon on Wednesday afternoon. The squad performed admirably and took fourth place overall – this is a great result given the lack of competitive opportunities over the last two years. We are more proud though that the pupils were highly commended on their sporting attitudes and friendship towards other teams during the event. The team were also delighted to wear our new netball kits in the school's colours.

As I write, a team of footballers are preparing for an after school match against Acresfield Primary School. This match is our latest fixture in the local primary school league. The team have been preparing for the match with some vigorous games at lunchtime and in Football Club!

On Monday, Rachel Inns and I met with Craig and Sam to enrich the links between our school vision and values and scripture. I am very grateful to Craig and Sam for giving up their time so generously to come and support us with this activity. Their insight was invaluable and has helped to move our strategic thinking forward about how our vision and values are embedded across our curriculum and all areas of school operations. As a school family, we are so lucky to receive such care and support from our friends at All Saints' Church.

Thank you for your prayers for our school family during this challenging time.

Headteacher

WORLD DAY OF PRAYER 2022

A WOMEN LED, GLOBAL, ECUMENICAL MOVEMENT

"I KNOW THE PLANS I HAVE FOR YOU"

FRIDAY 4TH MARCH 2022

The service to mark the 2022 World Day of Prayer will take place on Friday 4th March at 10.30 am at St. Oswald with St. Thomas of Canterbury Church, 3, Cheyney Road, off Parkgate Road, Chester CH1 4BR. The service will last for approximately one hour and will be followed by refreshments.

The World Day of Prayer is an international ecumenical organisation which enables women all over the world to share the ideas and concerns of the writing country. Preparation for the day has taken several years. Each year the first Friday in March sees services taking place all over the world, beginning in Samoa and moving on through New Zealand and Australia, across Asia, Africa and Europe and finally the United States and South America before finishing in American Samoa.

This year the service has been prepared by women in England, Wales & Northern Ireland. Using the Bible text **"I know the plans I have for you"** from Jeremiah, the service will reflect on some of the issues facing many today: poverty, domestic abuse and disability, finding hope in difficult situations and encouragement in the help that we can all give to each other. It will celebrate the diversity and the contribution made to our three countries by the many groups and individuals who have made their home here.

Do join us if you can. A warm welcome and friendly hospitality is assured!

If you are unable to join in person but would like to join online or if you would like any more information, please contact Elaine Hemmings – elaine.hemmings@allsaints.church
