Hoole Church of England Primary School

We heard the government announcement about schools in England reopening from Monday 8th March with great delight.

Whilst our school has remained open every day for children of key workers throughout the period of closure, we have accommodated a significantly lower number of children in school since January.

Since the announcement, we have been planning for our entire school family returning to the classrooms.

It has been wonderful to welcome so many smiling and happy faces back to school today. We had committed additional staff to man the school gates to support any member of our school family who may have felt anxious or worried about coming back. I am delighted to report that everyone skipped in enthusiastically, happy to see their teacher and their classmates.

Once again, our school is filled with laughter, friendship and enthusiasm!

We have got lots of exciting activities and events planned for the remainder of this year, including residential trips for three year groups. We hope that we will be able to enjoy these activities as restrictions gradually reduce.

Thank you for your prayers for our school family during these uncertain times.

Ros Flanders, Headteacher

Teaching Assistants in EYFS and KS2.

The Firs School is recruiting! We require two TAs to join the team in our inspirational primary school. An NVQ level 3 in childcare (or working towards this) is needed as a minimum. Experience working in a primary school is highly desirable.

EYFS After-School club - 3.30pm-6pm during Term time
KS2 (7-11yr olds) - 9am - 12pm during Term time

The right candidate could do both jobs. Job starts summer term (19th April).

If you would like to apply for either position please contact Sue Hunt at admin@firsschool.org for an application form, pay details, and a job description. Further details also at <http://bit.ly/FirsSchool>

SAFEGUARDING TRAINING

As we move out of lockdown, it's a great time to update your safeguarding knowledge, before we meet again face to face.

The Church of England has launched excellent online training. The modules are easy to access anytime that is convenient, on the Church of England website: safeguardingtraining.cofeportal.org where you can Login or create a new account if you have not undertaken a previous online course.

The Basic Awareness module is open to all the church family; I would suggest for those over the age of 16. It is a short, interesting and sensitively written overview of safeguarding in a Christian setting. As a church community we should be more aware of safeguarding issues, more knowledgeable and more open. Why not have a look and get your certificate?

Leaders and group volunteers including those who work with children and young people, vulnerable adults and those with additional special needs can also take the Foundations module.

Please send a copy of your certificate to Hannah in the church office:

SAFE SPACES ENGLAND AND WALES

Safe Spaces is a free and independent support service for anyone who has experienced abuse in relation to the Church of England, the Church in Wales or the Catholic Church of England and Wales. This could be abuse by someone who holds any role at the church or is linked to participating in a church-led activity or group.

Although the churches have funded the service, it is run independently by the charity Victim Support, who are one of the leading charities providing specialist support to survivors of abuse in England and Wales.

If you have been affected, however long ago, Safe Spaces can provide you with support. You do not have to have told the police or the church authorities, and you do not have to still be involved with the church. Your information will not be shared without your consent unless you or someone else is in immediate danger.

Telephone: 0300 303 1056 or go to their website:
