

GIFT AID - for those who pay tax, All Saints is able to reclaim from the government the tax paid on your regular giving and donations. This increases the value of your giving by 25%! It is a great way of increasing your giving for completing a simple form. Gift Aid forms are available at the back of church and also from the office. Please complete a form, hand it in at the office and we do the rest. Thank-you, as always, for your support of our mission.

Next week (18-24 July), Michaela Pschierer-Barnfather will be walking the [Two Saints Way](#), a 92-mile pilgrimage route between the cathedral cities of Chester and Lichfield, following in the footsteps of St Werburgh and St Chad.

She will set off on Monday, 18 July, after the morning service at Chester Cathedral, averaging 13 miles a day and staying in various accommodations en route (including a hermitage), and finish with a service at St Chads in Lichfield on Sunday, 24 July, stopping for a prayer at each chapel or church on the way.

If there is something particular on your mind that you would like her to include in prayer, send her a text or WhatsApp on 07974 968535 or speak to her this Sunday after the service or at the festival. Of course she'll also appreciate your prayers for her.

A few requests. . .

Jam Jars

Please can you start to keep hold of your empty jam jars so that we can use them for our Light Party later in the year. Thank you!

Can you speak another language? Maybe you could help!

We love to be able to offer the best welcome to every person who steps through our doors at All Saints. If you are able to help us communicate this welcome with those who do not speak English, we would love to hear from you. Please talk to the office staff if you'd be interested in knowing more about how you can serve in this way. Thank you!

Would you like to get more involved with Crossway FC?

We are a Christian club that seeks to create an environment where football can be played competitively, but in a manner that really embodies what it means to be ambassadors for the sport; showing true Grace when we do not win and respecting all people at all times.

We are explicit in our faith as a club, but not so as to be a burden or cause offence to anyone. We do not require our members to have faith and we want to ensure that everyone feels warmth across all aspects of Crossway, being part of an atmosphere where they can be themselves and feel included, whoever they are.

Crossway is simply all about the 3Fs...Faith, Football and Family...!

We are recruiting in a number of areas, with one area in particular being our Safeguarding and Welfare Officer.

You would be a committed volunteer joining our team and will be the key contact for all areas relating to the safety and welfare of the young and the vulnerable across our teams.

If you think you'd be interested, then please contact Club Chair Ugo Eboh

at mr_ebo7@hotmail.com or on **07985601038**...

Many Thanks, Crossway FC

Hoole Church of England Primary School

Another busy week this week with Sports afternoons, our Year 2 pupils enjoying their graduation to Year 3 ceremony and our Year 6 leavers' performances on Wednesday and Thursday evenings.

On Tuesday after school, we held open sessions for parents/carers to come and meet their child's new teacher and we are also in full RHS Tatton Flower Show preparation!

In the midst of all of these activities and events, we received a special message from our friends at the Gyero School in Nigeria.

Pupils in Year five have arranged several fund raising activities over this school year to raise money to support children at the school. They have organised a sale of pre-loved clothing and also a fun afternoon with games and stalls for other pupils. The children of Hoole were keen to buy every child a pillow.

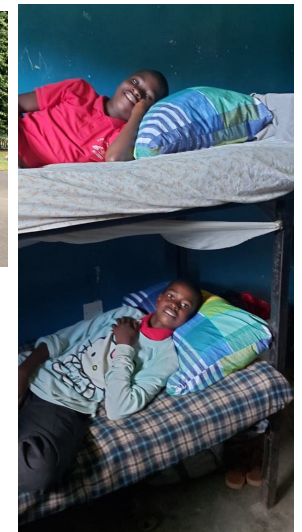

This week, we received photographs and messages from the school showing that children in Gyero have received their pillows. A member of staff had sewed pillowcases for them all. The Nigerian children were so keen to send their thanks and extend the hand of friendship across the miles.

The partnership with Gyero will continue into the future and we are blessed to have this wonderful link which offers such an opportunity for our children to show that they are compassionate and responsible citizens.

I am so proud of the efforts of our children and their enthusiasm to maintain contact and support for the school which is far away but close to us in friendship.

Thank you for your prayers for our school family.
