## Church School Governors

Being the Governor of a Church school is a very important Christian ministry and a wonderful way of supporting Christian communities and giving children and young people the chance to experience the Christian faith in action. Chester Diocese is looking for committed Christians from all walks of life to support the children and young people in their schools by taking on the role of foundation governor (appointed to support and develop the Christian distinctiveness of a church school). This is also a great opportunity for Christians to support our churches and schools as they work together with families in the Growing Faith adventure. If you feel you could help Church schools in this way or would like more information, please contact the Deputy Diocesan Director of Education, Sue Noakes ([sue.noakes@chester.anglican.org](mailto:sue.noakes@chester.anglican.org))

## Hoole Church of England Primary School

*Our school vision is "Let your light shine" from Matthew 5:6 (Sermon on the Mount.)*

We strive to find as many ways as possible to support children in letting their lights shine brightly. We engage with a range of local partners to enrich our curriculum, to provide an array of extra-curricular opportunities and to give children an opportunity to shine in ways they may not have previously considered!

Over this term, Year four have enjoyed music sessions with Mr Cameron as part of the Music for Life initiative.

Pupils have enjoyed weekly sessions learning to play a variety of different brass instruments including trumpets, trombones and euphoniums. They have shown enthusiasm and perseverance learning how to make interesting sounds from equipment they have not encountered before. Pupils presented Mr Cameron with a thank you card during the final sessions on Thursday 8<sup>th</sup> July.

Mr Cameron recognised how brightly Year four had shone during the lessons. We are so proud of how highly he commended the children on their effort, dedication and resilience.

Thank you for your prayers and good wishes for our school family.
