## Ethiopia News

Since last week's notices we have received further news from Yacob about the flooding at the Mekane Yesus Seminary in Addis Ababa.

Many of you will remember Wogayehu who came to Chester in 2006 to study theology for a year and was part of our church family at All Saints during that time. When she returned to Ethiopia she was ordained in the Mekane Yesus church. Very sadly, we now know that Wogayehu was one of those who lost their lives in the flood along with her husband and one of their grandchildren. Please pray for her family as well as for Yacob and Demewoz.

For more information please speak to Rick or Elaine Hemmings

## Hoole Church of England Primary School

It was a pleasure to welcome children back to school looking so smart and prepared for the year ahead. Children returned to school on 1<sup>st</sup> September, happy, relaxed and ready for the exciting year ahead. Fifty- seven children joined our school family at the start of term and we are so proud to have each and every one of them and their families joining us!

We are now settled into the rhythm of the new term, having adjusted school routines and systems again based on the current national guidance. It is wonderful to be able to welcome slightly larger groups in to the hall for worship sessions and for school lunches. Once again, children and staff have shown cheerful flexibility, adapting to revised ways of working with perseverance and a positive attitude.

Plans for the new year are already driving ahead. We plan to extend the ambition and accessibility of our curriculum to ensure that all children are challenged at a level which is appropriate to enable them to let their lights shine brightly.

Year six are planning for their residential trip to the Robinwood Centre near Wrexham in early October. Forest School has now reopened and Mrs Jones is building on the success of the RHS Tatton Show in July by enriching the Science curriculum with increased outdoor and horticultural activities.

We pray that this academic year will be less disrupted than we have faced recently and we are full of hope for the experiences and opportunities ahead.

I will keep you posted!

Thank you for your prayers for our school family.

Ros Flanders, Headteacher

## CHEERFUL GIVERS UPDATE

Just to let you all know we will be back to the church centre with our monthly meal as of the 26th September. If you are not ready to attend lunch at the centre we will still deliver to you.

As we are moving into the main hall we shall be able to space the tables out a bit more allowing for some degree of distancing. For those who wish to come in, we are starting lunch at 1pm on the day. If you are not ready to venture in, please inform either Paula & Andy or Christina in the Church Office so we can arrange to deliver your meal to you as soon as we possibly can on the day.

We are still going to need volunteers to collect and deliver some meals so please let us know via the church office if you can help.

We are looking forward to seeing all who feel safe to venture in and will see the rest of you as time goes on.

Love from Paula & Andy
