We are so excited that a number of people from All Saints and The Groves have already booked to attend this year and we want to make sure that you have the opportunity to attend too! There will be plenty of spirit led worship, solid bible teaching, opportunities for prayer ministry, separate kids and youth programmes and lots more. You can find more information and booking information here <https://www.new-wine.org/events/united22/>

If you need anymore information Gemma & Craig Gaudion, Emma Smith, Sam-DH and Pat Cole would be more than happy to chat with you.

**Costa del Holidays will be back this year!**

Covid permitting, we plan to have a 3 day holiday at home from Wednesday 17th to Friday 19th August 2022.

Please save the dates. Further details will follow soon.

It's going to be great!

I am so blessed to volunteer at KidsBank Chester. The need is really great at the moment. One thing we're really short of is socks and underwear for all ages up to 12 as we can only accept new items. If anyone would like to donate, please pass them to the church office for me to collect. Thanks so much.

**WORLD DAY OF PRAYER 2022  
A WOMEN LED, GLOBAL, ECUMENICAL MOVEMENT  
“I KNOW THE PLANS I HAVE FOR YOU”  
FRIDAY 4<sup>TH</sup> MARCH 2022**

The service to mark the 2022 World Day of Prayer will take place on Friday 4<sup>th</sup> March at 10.30 am at St. Oswald with St. Thomas of Canterbury Church, 3, Cheyney Road, off Parkgate Road, Chester CH1 4BR. The service will last for approximately one hour and will be followed by refreshments.

The World Day of Prayer is an international ecumenical organisation which enables women all over the world to share the ideas and concerns of the writing country. Preparation for the day has taken several years. Each year the first Friday in March sees services taking place all over the world, beginning in Samoa and moving on through New Zealand and Australia, across Asia, Africa and Europe and finally the United States and South America before finishing in American Samoa.

This year the service has been prepared by women in England, Wales & Northern Ireland. Using the Bible text “**I know the plans I have for you**” from Jeremiah, the service will reflect on some of the issues facing many today: poverty, domestic abuse and disability, finding hope in difficult situations and encouragement in the help that we can all give to each other. It will celebrate the diversity and the contribution made to our three countries by the many groups and individuals who have made their home here.

Do join us if you can. A warm welcome and friendly hospitality is assured!

If you are unable to join in person but would like to join online or if you would like any more information, please contact Elaine Hemmings – [elaine.hemmings@allsaints.church](mailto:elaine.hemmings@allsaints.church)

## Hoole Church of England Primary School

Sarah Jones, our Forest School and Science subject leader has been very busy over the last twelve months!

After coordinating our successful contribution to the Tatton Flower Show in the summer, Mrs Jones has been leading the school's application for the Primary Science Quality Mark.

Working alongside Tess McDonald, a talented junior leader in school, Mrs Jones has developed teaching and learning in Science across all phases of school by leading professional development activities for staff and supporting colleagues to enrich the quality of Science provision at Hoole. The final submission for the Primary Science Quality mark will be made later this year. – I will keep you posted and let you know if our bid for this prestigious award is successful!

In addition, Mrs Jones has awarded Forest Ranger certificates to Year 5 pupils who have shown skill in their outdoor learning activities.

This week, a group of pupils were awarded the Forest Ranger Level 5 award as a result of the resilience, team working skills, self-motivation and curiosity they have shown during forest school sessions.

The award acknowledge the skills acquired by children including campfire safety, lighting and safely extinguishing a small fire using tinder and kindling, classifying wood, using tarpaulins and ropes for shelter building and identifying flora and fauna.

We are so proud of the personal qualities, enthusiasm and perseverance children develop through our outdoor learning and forest school curriculum.

The final celebration this week was Mrs Jones receiving £200 worth of vouchers for the school as a thank you for the consultancy work she did with the Royal Horticultural Society. We are already starting to plan our next entry for the Tatton Show and this donation will help us to be back even bigger and better at next summer's show!

I hope to be able to welcome our friends from All Saints Church to our school very soon so you can enjoy looking around and meeting the staff you have read about over recent months.

Thank you again so much for your prayers for our school family.
