CHEERFUL GIVERS UPDATE

Just to let you all know we will be back to the church centre with our monthly meal as of the **26th September**. If you are not ready to attend lunch at the centre we will still deliver to you.

As we are moving into the main hall we shall be able to space the tables out a bit more allowing for some degree of distancing. For those who wish to come in, we are starting lunch at 1pm on the day. **If you are not ready to venture in, please inform either Paula & Andy or Christina in the church office so we can arrange to deliver your meal to you as soon as we possibly can on the day.**

We are still going to need volunteers to collect and deliver some meals so please let us know via the church office if you can help.

Ethiopia News

Since last week's notices we have received further news from Yacob about the flooding at the Mekane Yesus Seminary in Addis Ababa.

Many of you will remember Wogayehu who came to Chester in 2006 to study theology for a year and was part of our church family at All Saints during that time. When she returned to Ethiopia she was ordained in the Mekane Yesus church. Very sadly, we now know that Wogayehu was one of those who lost their lives in the flood along with her husband and one of their grandchildren. Please pray for her family as well as for Yacob and Demewoz.

For more information please speak to Rick or Elaine Hemmings

Hoole Church of England Primary School

Our school vision is 'Let your light shine.'
Matthew 5:16 Sermon on the Mount. We seek to enable children to let their lights shine as brightly as possible in many different ways with an engaging curriculum, exciting enrichment opportunities and high quality care for their emotional health and wellbeing.

Another way in which we support children in finding and shining their lights is by offering a wide range of extra-curricular clubs and activities.

Over recent months, given the national restrictions, we have been unable to offer after school clubs. This has been a source of frustration as we have been unable to offer experiences which enable children to find new ways of shining or to discover unknown talents.

We are delighted to have planned an array of clubs for this term.

Children of all ages may choose from sports activities including yoga, tri-golf, tag rugby, football, netball and dodgeball. In addition to the sports opportunities, pupils may join arts, literature and science based activities, such as arts and crafts, zentangle, dance, drama, science and book clubs. There really is something for everyone!

Thank you for your prayers for our school family.

Welcome Services for Bishops Julie and Sam

Dear friends,

At their installation service at the Cathedral on the 5th of September, Bishop Julie and Bishop Sam began their public ministries as the Bishop of Birkenhead and the Bishop of Stockport respectively. We are keen, though, to welcome them slightly less formally, to pray for them, and to begin to get to know them better, and so we are running a welcome service for each of them, and you are invited.

We will do this at two services:

[Thursday 14 October, 7pm at St George's, Stockport](#)

[Monday 18 October, 7pm at Christ the King, Birkenhead](#)

These services are open to all to attend and we hope that the gathered congregation will reflect the diverse nature of our diocese.

I hope that these services will be well attended and so to help us manage numbers safely in this COVID season, if you wish to attend, it will be necessary to book a place through Eventbrite. For those who are unable to attend in person, the services will be streamed and links to these streams will be made available through the E-Bulletin and diocesan website. Please share this invitation with everyone in your churches so that word gets out about this significant moment in the life of our diocese.

We are, though, keenly aware of the bustling life of our diocese and the bulging nature of our diaries, so if you find that you are already committed to other events and services on these days, please still join with us by praying on these days for the ministry of Bishops Julie and Sam. Bishops are ordained, as you will know, to be shepherds of Christ's flock and guardians of the faith of the apostles, proclaiming the gospel of God's kingdom and leading his people in mission. As Bishops Sam and Julie begin this ministry, it is right that we commit to praying for them and ourselves as we yearn to see God's Kingdom come and grow.

With my prayers and my gratitude for yours as we continue to partner in Christ,

† Mark
