Feedback about MyChurchSuite

Various church members have commented on how useful the app MyChurchSuite is for allowing them to find contact details for other people in the church, which previously would not have been possible.

Other feedback includes how good it is to have an easy way to find upcoming dates when you are serving on a rota.

People have also said how accessible and easy to use the app is.

If you are not yet on MyChurchSuite, please consider downloading the app! It is so important that we all stay connected, particularly in these difficult times where we can't all get together in person.

If you need any help with MyChurchSuite then please e-mail rachel.kirkland@allsaints.church and Rachel will do her best to help.

Hoole Church of England Primary School

We are now planning for a return to school on Monday 8th March. It will be wonderful to have our school family back together. We are looking forward to welcoming pupils and celebrating the wonderful work they have completed at home.

During the closure, we have issued weekly engagement certificates to reward the fantastic effort and perseverance our pupils have shown. Each certificate is worth fifty credits and we plan to count up the credits earned by each class. We are expecting thousands!

Pupils will then enjoy an activity of their choice such as a craft or sports afternoon. The rationale for this is that as well as supporting motivation with home learning, the treat afternoon will be a great opportunity for children to reconnect with their classmates to support their mental health and emotional wellbeing.

Aside from planning for children returning to school, we are also celebrating Science Week. Pupils have been set an array of challenges and fun activities to enable them to explore a world of scientific concepts. In addition, our collective worship will focus on inspirational figures from scientific worlds both past and present.

Thank you for your prayers for our school family during this challenging time.

WORLD DAY OF PRAYER Friday 5th March 2021

On the first Friday of March the World Day of Prayer movement comes together united in prayer and action in the local communities across the world with a focus on one particular country. The focus for 2021 is Vanuatu with the theme "Building on a Strong Foundation" and the materials for this have been put together by the women of the Vanuatu islands.

The World Day of Prayer is a women led, global ecumenical movement.

Unfortunately, due to the current Covid-19 restrictions the service that was due to take place at Christ Church, Newton on Friday 5th March has been postponed and will now take place on Friday 11th June. Further details will be available nearer the time.

For more information about the World Day of Prayer, this year's theme and the country of Vanuatu visit <https://www.wwdp.org.uk/>

If you are able please do still take a moment on 5th March to join in with others around the world in praying for the islands of Vanuatu.

We have just entered the season of Lent and would normally see the start of our Lent Suppers.

Because of Covid-19 we are unable to come together on Tuesday evenings to share soup, spend time with Church Family and support the work of mission at home and abroad.

Instead, we would like to invite you to join us in our Alternative Lent Suppers for 2021. We hope to combine all the elements of traditional Lent Suppers, but taking place within your own home. So... each Tuesday between now and Easter we invite you to eat soup, share with Church Family members and support those less fortunate than ourselves.

To help you do this, each week we will provide you with:

- A suggestion for a soup to eat on Tuesday evenings
- An activity to help you connect with the Church Family
- An action to reach out into the wider world
- A suggested activity for you to carry out at home by yourself or with your family
- A prayer

Suggestions for the first Alternative Lent Supper are attached in a separate document.

We would love you to join in if you are able!
