

**GIVING** - If you'd like to make a one off donation online, scan the QR code below to visit our online donations page and give a donation to All Saints. We prefer regular giving to be by standing order, but if you would like to give a one off donation (we will be charged a small fee) then this is how to do it!

**GREETINGS CARDS** - for all occasions by Gill Holt. Please have a look after the Sunday services and support the work of **Tearfund**.

**FOODBANK** - donations can be put in the collection crates in the church centre foyer. Alternatively, you can make a cash donation online at: <https://westcheshire.foodbank.org.uk/give-help/donate-money/>  
Thank you for your continued support!

## All Saints Welcome Lunch

We're so excited that the church is growing and we really want to make space to get to know people who have started attending over this last year. We would like to invite you to a Welcome Lunch on Sunday 12th June following our 10.45am service. This will be a chance to meet some of the leadership of the church and find out some of the ways you can get connected here at All Saints Hoole.

This will be a simple meal of jacket potatoes and toppings. Please sign up on the link below or contact the office on 322056. Don't forget to let us have any special dietary requirements when you sign up.

All ages are welcome!

Go to <https://allsaints.church/welcome-lunch/> to watch a short video introducing the lunch and to sign up!

If you need any more information, please speak to Gemma.

We're looking forward to seeing you there!

## Hoole Church of England Primary

We have celebrated more success this week!

We have been awarded the Primary Science Quality Mark. The Science Quality mark is awarded to schools who evidence outstanding work in this area of the curriculum.

The Primary Science Quality Mark is a national award linked to a programme which aims to enhance how Science is strategically planned and taught across the school.

Mrs Jones and Miss McDonald have worked over recent months to collate information about the array of Science, working alongside the staff team to enrich teaching and learning in Science.

We are delighted to attain this award as it outlines the efforts of staff to continually enhance what we do at our school for the benefit of our pupils to ensure that their light shine brightly.

Thank you for your prayers and good wishes for our school.

Ros Flanders,  
Headteacher
