GIVING

We are now able to accept one off donations online! Scan the QR code below to visit our online donations page and give a donation to All Saints. We prefer regular giving to be by standing order, but if you would like to give a one off donation (we will be charged a small fee) then this is how to do it!

Hoole Church of England Primary School

Our school family has enjoyed yet another busy and action packed week!

On Wednesday, several pupils participated in a Poetry in Paints session with an external artist to develop the area at the front of school. Parents and carers of the children involved in the project were invited in to support with completion of the design.

We have also welcomed representatives of the Cheshire West and Chester Road Safety team and PCSO Keith Bartlett into school. As part of our work to promote safer roads around the school site and safe working to school, our visitors delivered the 'Let's Walk' programme.

This involved a guided walk around the school area, discussing how to stay safe and remain aware of hazards in the local environment. The children were highly commended on their participation and behaviour during the walks.

We have further work planned in relation to road safety in order to ensure that our school family is safe travelling to and from school. Activities planned include the review of our parking charter and our Junior Safety Officers promoting key messages to parents and children.

Thank you for your prayers and good wishes for our school.

Cathedral Pilgrim Porch: An opportunity for All Saints to take part

We have received an invitation from Archdeacons Mike and Ian to take part in an exciting opportunity for our church to be permanently represented in a major new feature at Chester Cathedral.

2022 is the Queen's Platinum Jubilee year, and the installation of the new Pilgrim Porch to enhance the West Door entrance to Chester Cathedral is being planned for June, to celebrate the Jubilee. Artist Stephen Broadbent has designed a beautiful entrance that will incorporate images from every church in the diocese, etched into the glass and shaped into a labyrinth. Details of this project can be found on the Diocesan website at <https://www.chester.anglican.org/news/every-church-invited-to-contribute-to-new-jubilee-artwork.php>

Time is short and so they are asking us to develop our ideas as soon as we can. Images have to be with the artist before the end of February. Essentially, we need to decide on what image might be most significant and meaningful to our church. We then must provide two quality images showing the detail and context and then send them to Stephen together with some background, for an accompanying website, that explains why we have chosen the image we have.

If you would like to contribute your ideas, please contact Alex Lewis at alex.lewis@allsaints.church as soon as possible but **no later than Sunday, February 13th** to allow time for the photography and historical information to be collated. Obviously, only one image can be submitted.
