Calling all those who remember the War years (1939-45)

Rachel Inns, the RE Coordinator at Hoole CE Primary School, would like to arrange a meeting on Zoom in which children from Year 6 (aged 10-11) can ask questions of All Saints' church members who remember the War years. This would be linked to Remembrance this year. The children would send their questions in advance so there won't be any surprises!

If you remember those years, are comfortable answering questions on Zoom and are willing to help the children in our Church School, then please can you let me know - vicar@allsaints.church - and I will pass your name and email to Rachel. The session would probably be on a Thursday afternoon but, if those who would like to take part find another time more suitable, we can arrange the Zoom at a more convenient time.

Operation Christmas Child - please keep your eyes open for any bargains in the shops post school starting as Christmas stuff comes in they usually sell things off cheap. Any purchases can be dropped off at the church centre in the bin provided in the first Foyer. (Please follow the one way system in place).

We are supporting OCC again this year. You can do this by filling a shoebox with gifts (no sweets or toothpaste) see list

go online and fill a virtual shoebox from the comfort of your home - no shopping stress! <https://shoeboxonline.samaritans-purse.org.uk/> Covid free!

You could also send a financial donation into the office to help cover costs of boxes going abroad or towards more boxes being made up by Christina and team.

Most importantly please can you pray for this ministry during November and December each box is a special gift for a child who may not receive a present this Christmas.

Knitting Christmas Angels

Calling all who can knit or crochet - we need you to exercise your gifts, so that we can "angel bomb" the parish on December 5th with a multitude of angels, each carrying God's message of hope, "Do not be afraid."

Come and join our hidden team of home knitters. Every angel will help towards making a big impact. We will be gathering them in 30th November.

Knitting pattern available from the church office; or by asking Helen Ellis, Lis Treby or Anita Benson.

Cheerful Givers

To all our wonderful guests.

It is with deep regrets that Paula and myself have decided that due to the current situation we are not going to re-start in the centre for the foreseeable future.

We are planning to carry on as we have been doing with delivering our meal to you, as stated in the previous letter soup will not be being delivered.

As soon as the situation allows, we shall be back in the church centre, we are not just thinking of ourselves, we are also thinking of keeping all of you as safe as possible.

We are aiming to work from our original list we have, so if your name is on it you will get a meal. If you don't want a meal please inform the church centre office or phone Paula or myself on 07437670035.

This Christmas, it is vital that our ministry is outward focused on the Parish.

We want to reach as many people as possible to reassure and encourage them.

Just as the angels encouraged the shepherds on Christmas night, we want people to know that God's presence and love can be known, and that He does not want them to live in fear and anxiety.

With this in mind, as well as decorating church for the Hoole Lights Switch On (see attached flyer), we want to encourage those in Hoole to join in and purchase an angel rope light to put up in a window of their home.

They cost £14.99 and delivery is free if we order 4 or more. Please contact Christina in the office [by 28th Oct] if you would like to order one or more for your home.

Even if you aren't in the Parish, you could also join in and be part of the angels lighting up Chester this Christmas.

- This wonderful static rope light silhouette features a traditional Angel
- The rope light is clear and has an overall length of 2m plus a 1.5m lead wire to the BS plug
- It's a great way to decorate the outside of your house at Christmas and features hanging hoops allowing you to hang in a window or on a wall
- Mains Voltage Plug must be mounted indoors or in a waterproof socket
- Size: 41 x 37 cm
