

Team News

We have had a great year in kids + youth church and we would love to celebrate as a team and thank you for all of your time and energy.

Games and cake at The Vicarage:
Thursday 14th July
7:30pm

On Friday 20th May the youth core team gathered to share a meal together, talk through youth ministry at All Saints and pray for our young people. It was a great opportunity to thank God for all of the good things that have happened in recent years too.

Over coming months the aim is to review our youth ministry and look at how we can continue to disciple our young people here at All Saints.

Sunday Funday

As our 5th Sunday in May 'Sunday Funday' we gathered together as Kids and Youth Church to worship, compete in the 'All Saints Olympics' and share a simple meal as we talked about Jesus sharing breakfast with his disciples. We had lots of fun together! We also named each of the fish in our net with the name of each child and young person in our church family.

Why not pause to pray for them by name next time you are in the Church building?
